Sub:- Information sought under Right to Information Act, 2005.

Sir,

Please refer to your online RTI Application No. SPMCO/R/E/20/00134 dated 20.09.2020 and followed by RTI Application No. SPMCO/R/E/20/00135 dated 20.09.2020 seeking information on 3 points. The information as available in record is as under:

Reply to Point no. 1

- ***It is intimated that no gradation list for E-1 level Executives has been notified by SPMCIL between 2008 to 2015. However, gradation list of Executives E-2 level and above was notified in the year 2013 after the introduction of the Promotion Policy of the Executives. A copy the said gradation list is attached herewith as Annexure-A.***
- ***Further, it is informed that no updated/amended gradation list was notified after the year 2013.***

Reply to Point no. 2

The above gradation list of Executive E-2 level and above was notified on the basis of following criteria:

1. ***In the case of Executives where merit has been determined in the selection list, their seniority has been reckoned accordingly;***
2. ***Where merit is not available, the date of holding the present post, level and pay scale in substantive grade has been taken into consideration to determine their seniority;***
3. ***Where two Executives have been holding the present post, level and pay scale in substantive grade on the same date, their date of holding the substantive post, level and pay scale in one level below has been taken into consideration to reckon their seniority;***
4. ***In case the date of holding the post, level and substantive grade in one level below post is also the same, the seniority of such Executives has been determined on the basis of date of joining the service in Government or SPMCIL, as the case may be, failing which on the basis of their date of birth.***

As regards to the copies of the marks given by selection committee during interview since 2008 upto 2015, it is intimated that information sought by you is exhaustive & not specific. It covers a wide time range and span of Executives across multiple level as well as disciplines.

Reply to Point no. 3

Yes, SPMCIL Corporate Office vide letter dated 23.12.2013 has circulated the above mentioned gradation list (E-2 level & above) to all the Nine Units & Corporate Office for the information of all concerned. However, no individual letters were issued to the newly recruited personnel by this office. A copy of the said letter has already provided as Annexure-A.

2. If the information provided to you is not in conformity with points raised in your RTI application, you may prefer to make an appeal to the appellate Authority in SPMCIL. The name of Appellate Authority is Shri B. J. Gupta, GM (HR), 16th Floor, Jawahar Vyapar Bhawan, Janpath, New Delhi-110 001.

- It is to inform that Seniority of Executives in SPMCIL is inferred from the Gradation list and there is no separate seniority list

ii. ***Where merit is not available, the date of holding the present post, level and pay scale in substantive grade has been taken into consideration to determine their seniority;***

iii. ***Where two Executives have been holding the present post, level and pay scale in substantive grade on the same date, their date of holding the substantive post, level and pay scale in one level below has been taken into consideration to reckon their seniority;***

iv. ***In case the date of holding the post, level and substantive grade in one level below post is also the same, the seniority of such Executives has been determined on the basis of date of joining the service in Government or SPMCIL, as the case may be, failing which on the basis of their date of birth.***

Sir,

Please refer to your online RTI Application No. SPMCO/R/E/20/00173 dated 07.11.2020 seeking information on 03 points regarding for the post of Assistant Manager(Materials) of Advt No. 04/2020-OP. The information as available in record is as under:

Reply to Point No. 1

Under the provisions of RTI Act, 2005, the Public Information Officer cannot expect to communicate to the citizen the reason why a certain thing was done or not done in the sense of a justification and hence clarifications/ opinions/ reasons cannot be furnished.

Reply to Point 2 & 3

On perusal of the information sought in this point, it is revealed that the applicant has raised question and expecting the PIO to reply in yes or no, the PIO under RTI Act ought not to do so.

The definition of information, as it occurs in Section 2(f), lays down the scope of the type of information an applicant can seek. The underlying idea is clear that the applicant is entitled for information in respect of the categories of information mentioned in Section 2(f). So, it is not open to an appellant to ask, in the guise of seeking information, questions to the public authorities.

2. If the information provided to you is not in conformity with points raised in your RTI application, you may prefer to make an appeal to the appellate Authority in SPMCIL. The name of Appellate Authority is Shri B. J. Gupta, CGM (HR), 16th Floor, Jawahar Vyapar Bhawan, Janpath, New Delhi-110 001.

The information as available in record is as under:

Reply to Point

On perusal of the information sought in this point, it is revealed that the applicant has raised question and expecting the PIO to reply in yes or no, the PIO under RTI Act ought not to do so.

The definition of information, as it occurs in Section 2(f), lays down the scope of the type of information an applicant can seek. The underlying idea is clear that the applicant is entitled for information in respect of the categories of information mentioned in Section 2(f). So, it is not open to an appellant to ask, in the guise of seeking information, questions to the public authorities.

2. If the information provided to you is not in conformity with points raised in your RTI application, you may prefer to make an appeal to the appellate Authority in SPMCIL.
