ANTI-BRIBERY MANAGEMENT POLICY

SPMCIL is committed to be a leader in manufacturing of currency, coin and security products through process excellence and innovation, in an ethical and transparent way ensuring compliance to all applicable anti-bribery law, rules and regulations in a socially responsible manner by implementing an effective Anti-Bribery Management System (ABMS), through:

- ❖ Prohibiting bribery and taking a zero tolerance approach towards it.
- ❖ Identification and mitigation of risks related to bribery, based on organizational contexts, expectation of interested parties and our processes.
- ❖ Implementing and maintaining a System which encourages raising concerns in good faith, or on the basis of a reasonable belief in confidence, without fear of reprisal.
- ❖ Complying to all laws relevant to countering bribery and all other legal requirements that are applicable to us.
- ❖ Commitment to satisfy anti-bribery management system requirements and continual improvement of the ABMS.
- ❖ Implementing and maintaining the authority and independence of the anti-bribery compliance function.
- ❖ Implementing and maintaining ABMS which shall explain the consequences of not complying with the anti-bribery policy.

SPMCIL is also committed to reviewing the effectiveness of this policy periodically.
