Ravindra Pratap Singh is an officer of the 2007 batch of the Indian Administrative Service (Odisha cadre) with experience in public administration, policy-making, and programme implementation.

He holds an Honours Degree in Mathematics and a Post Graduate Diploma in Management from the Indian Institute of Management, Calcutta. His academic background has been further enriched by executive training programmes at IIM Ahmedabad and the John F. Kennedy School of Government, Harvard University.

At the state level, he has served in diverse and challenging assignments, ranging from postings in underdeveloped, Left-Wing Extremism-affected areas to leadership positions in government corporations. These experiences have provided him with a deep understanding of governance at the grassroots level as well as institutional management.

At the Government of India, he has held important positions involving high-level policy formulation, legislation, engagement with international organizations, and scheme implementation. As Private Secretary to the Vice Chairman of NITI Aayog, he assisted in examining critical policy matters, reviewing the macroeconomic situation, promoting trade and commerce, enhancing ease of doing business, and monitoring key government programmes and schemes. Subsequently, as Director in the Cabinet Secretariat, he gained extensive experience in policy-making, legislative processes, inter-ministerial coordination, and Centre–State relations.

Before joining as CVO in SPMCIL, he was serving as Joint Secretary in the Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers, where he was responsible for the implementation of major central sector schemes, such as Production Linked Incentive (PLI) schemes for Pharmaceuticals and Medical Devices, aimed at strengthening domestic manufacturing capacity. He has also supervised the implementation of the Pradhan Mantri Bharatiya Jan Aushadhi Pariyojana, under which record sales of ₹2,022 crore were achieved in FY 2024–25, delivering significant savings on medicines for citizens across the country.
